

DATA SHEET

User quotes:

"The Cincom user community has been a great way to share ideas with other users and keep in contact with Cincom."

"I am using CCC contacts now to review an issue/problem and am learning from them. This can be invaluable when faced with some tough decisions."

"Exchanging ideas and solutions to improve reporting and performance has been the biggest benefit to our company."

"Through my involvement with the user community, I have learned future directions Cincom has planned before the general community. As a result, we as a company are better able to plan for our future."

Maximize your investment through your Cincom Collaborative Community

And make the most of your relationship with Cincom Manufacturing Business Solutions

The Cincom Collaborative Community, also known as the CCC, is an organization that provides encouragement and enhances communication between the users of products and services and Cincom through the sharing of ideas, knowledge, and experience.

A membership to Cincom's Collaborative Community offers a rich toolset designed to maximize your investment as a user of Cincom Solution Software – while enhancing Cincom's commitment to create and maintain strong, high-quality customer relationships. By providing a collaborative setting enriched by member insights and learning opportunities that foster organizational growth, the CCC has become a resource highly valued by the manufacturing user community.

Activate your complimentary membership by visiting the Cincom Collaborative Community (CCC) website at MyCincom.com, where you will meet and share ideas with other innovative users at companies who share your vision for growth through collaboration.

Become a member of the Cincom Collaborative Community and reap the benefits ...

The sooner you become a CCC member, the faster you will be able to leverage your organization's investment in Cincom and realize the CCC's valuable benefits.

- Provide greater business value to your company through an enhanced understanding of your Cincom software solution.
- Learn about unique business applications that other CCC members have developed.
- Meet professional contacts in a variety of industries throughout the collaborative community.
- Get real answers to your questions on the interactive CCC bulletin board.
- Upgrade your industry position by contributing to the CCC knowledge base.
- Discover detailed technical and business topics by joining focused interest and industry groups.
- Hear the latest product and industry developments.
- Participate in roundtable discussions with other companies at conferences and meetings.
- Utilize "Ask Leslie" to gain access to Cincom product solutions and support professionals.
- Gain the opportunity to provide solution input to Cincom and the CCC via the web or face-to-face at conferences.
- Secure early access to selected Cincom product plans.
- Learn more about upcoming Cincom Manufacturing Conferences and view upcoming agendas. Members can view past conference agendas and presentations.
