

Partner Program Overview

This Cincom Partner Program Overview is designed to provide an outline for our partners and prospective partners of our value to customers, program requirements and resources available as a Cincom partner.

The Cincom Partner Program allows you to combine your unique expertise and customer relationships with our industry-leading configure-price-quote solutions to maximize your growth, increase your revenue potential and drive new opportunities.

**Grow Your
Customer Base**

**Add Value to
Existing Customers**

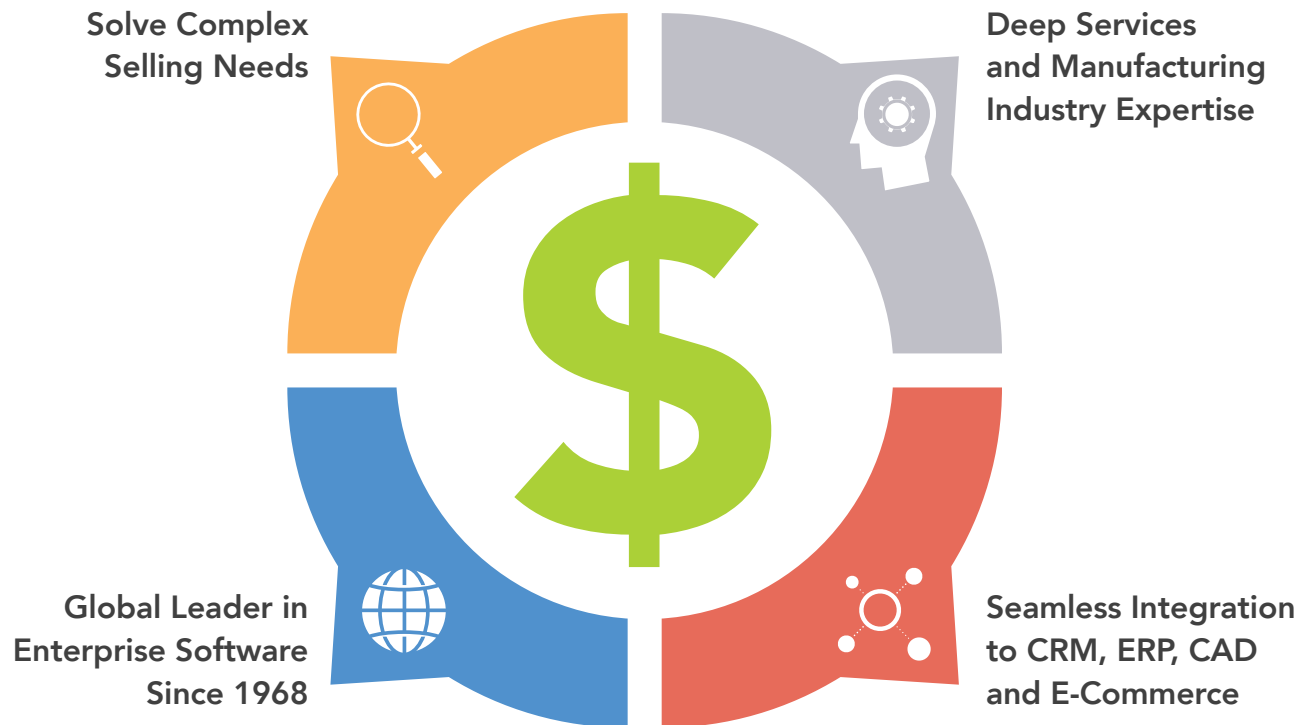

**Build Recurring
Revenue**

**Sales & Marketing
Resources**

With nearly 50 years of experience and a world-renowned commitment to our partners and customers, Cincom supplies the resources you need to extend the capabilities of your business, satisfy your customers' requirements, gain competitive advantage and increase revenue through **Cincom CPQ™**.

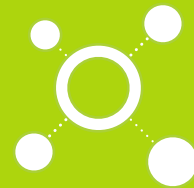

Cincom CPQ is an Intelligent Selling Solution that captures the expert knowledge of your best sales reps and, through our guided selling functionality, makes it available throughout any channel.

Cincom CPQ ensures accurate selection, configuration, pricing and quoting, which helps businesses to sell customized products and services faster, easier and with greater accuracy.
